

Elizabeth Faircloth Rostan, M.D. Curriculum Vitae
Charlotte Skin & Laser
130 Providence Road, Suite 100
Charlotte, NC 28207
704-333-9113

EDUCATION

- July 1999 – July 2000** Fellowship in Dermatologic Laser and Cosmetic Surgery
Dermatology Associates of San Diego County, Inc.
Accredited by the American Academy of Cosmetic Surgery
- July 1996 – July 1999** Duke University Division of Dermatology
Department of Medicine – Resident
Chief Resident, 1998-99
- July 1995 – June 1996** Emory University Medical Center
Department of Medicine – Intern
- Aug 1991 – May 1995** University of North Carolina School of Medicine
Chapel Hill, NC – M.D., 1995
- Sept 1987 – May 1991** University of North Carolina, Chapel Hill
Major: Biology – B.S., 1991

EMPLOYMENT

- January 1, 2011 Charlotte Skin & Laser, Owner Physician
- September 2001 – Dec 2010 Dermatology & Cosmetic Surgery Center of Charlotte,
Owner Physician
- July 1999 – July 2001 Dermatology Associates of San Diego County, Inc.

PROFESSIONAL SOCIETIES

- 2000 – Present Member, American Academy of Dermatology
- 2000 – Present Member, American Society for Dermatologic Surgery
Chair Membership 2005-2006
Currents committee current
Guidelines committee current
Membership committee current
- 2000 – Present Member, American Society for Laser Medicine and Surgery, Inc.
- 2000 – Present Member, American Academy of Cosmetic Surgery
- 2000 – 2001 Member, San Diego Dermatologic Society
- 2001 – Present Member, Charlotte Dermatology Association
- 2001- Present Member, North Carolina Dermatology Association
Executive Committee 2008 – present
Treasurer 2008-09
Vice-President 2009-10

| | | |
|----------------|--|------------------------------|
| 2001 – Present | President | 2010-11 |
| | Member, Mecklenburg County Medical Society Board | 2007- present |
| | Executive committee | 2008-2010 |
| | Secretary /treasurer | 2009-2010 |
| | Women’s Physician Section Committee | founding member and Steering |
| | | Member 2003 – present |
| | Co-Chair Membership | 2009-present |
| | Co-Chair Charity Golf | 2005-2007 |
| | Media and Public Relations Committee | |

PRESENTATIONS

2026 American Academy of Facial Plastic & Reconstructive Surgery, February 2026

“Reaching New Peaks in Facial Plastic Surgery 2026”

“Utilization of Non-surgical Tightening and Lifting Techniques to Avoid Filler Face”

“Non-surgical Eyelid Rejuvenation”

“Bio-stimulatory Fillers – regeneration era”

“Ten Pearls for Treating Hair Loss”

“Periorbital Rejuvenation Panel”

“Regenerative Medicine Panel”

2025 American Academy of Facial Plastic & Reconstructive Surgery, March 2025

“Reaching New Peaks in Facial Plastic Surgery 2025”

“Update on Non-surgical Treatments for Hair Loss and Thinning”

Multispecialty Aesthetic Conference, Hilton Head, SC, March 2025

“Update on Fillers 2025 and Beyond”

“How Important is Social Media to the Typical Practice?”

“What's On My Bathroom Shelf”

“Nonsurgical Treatments for Hair Loss”

Global Aesthetics Conference, Miami, FL, November 2025

“Non-Surgical Treatments for Hair Loss in 2025”

“Update on Fillers: 2025 and Beyond”

“Using Combinations of Treatments to Optimize Success with Fillers”

“What's On My Bathroom Shelf”

- 2024 American Academy of Facial Plastic & Reconstructive Surgery, February 2024**
“Reaching New Peaks in Facial Plastic Surgery 2024”
“Filler Update”
“Filler Complications”
“Developing Protocols to Enhance Patient Comfort During Treatments”
“Combining Lasers and Injectables for Optimal Outcomes”
- 2023 American Academy of Facial Plastic & Reconstructive Surgery, February 2023**
“Reaching New Peaks in Facial Plastic Surgery 2023”
“What’s New in Energy Based Devices and Techniques for Skin Rejuvenation and Tightening”
“Scar Treatments: Using Multimodalities for Optimal Outcomes”
- 2022 American Academy of Facial Plastic & Reconstructive Surgery, March 2022**
“Reaching New Peaks in Facial Plastic Surgery 2022”
“Update on Fillers 2022”
“Non-surgical treatment of hair loss”
“Comprehensive approach to treatment of scars”
- 2019 American Academy of Facial Plastic & Reconstructive Surgery, January 2019**
“Reaching New Peaks in Facial Plastic Surgery 2019”
“Update on scar treatments”
“Non-invasive skin tightening”
- 2017 American Academy of Facial Plastic & Reconstructive Surgery, January 2017**
“Reaching New Peaks in Facial Plastic Surgery 2017”:
“Use of Multiple Modalities in the Same Treatment Session to Achieve Optimal Outcomes”
- 2015 American Academy of Facial Plastic & Reconstructive Surgery, January 2015**
“Reaching New Peaks in Facial Plastic Surgery 2015”
- 2014 American Academy of Facial Plastic & Reconstructive Surgery
11th International Symposium of Facial Plastic Surgery, May 2014**
“Combining Laser Modalities to Optimize Cervicofacial Rejuvenation”
- 2012 AAFPRS Rejuvenation of the Aging Face Meeting January 18-22, 2011, San Diego CA**
“Combining Laser Therapies for the Aging Face”
- 2011 Facial Plastic Surgery Society Meeting**
“Combining Laser Treatments for Optimal Results in Facial Rejuvenation and Acne Scars”
- 2010 Cleveland Regional Medical Center, CME Program, April 2010**
“What’s New in Medical and Cosmetic Dermatology”
- Art and Science of Fillers and Injectables Course, American Society for Dermatologic Surgery, June 2010**
“Customizing and Combining Treatments to Meet Your Patients’ Expectations:
“Integrating Fillers and Injectables Into your Practice”
“My Technique for Treating Periorbital Area”
- American Society for Dermatologic Surgery Annual Meeting, October 2010**
“How to Build and Manage a Cosmetic Practice”
- 2009 American Society for Dermatologic Surgery Annual Meeting, October 2009**

“How to Build and Manage a Cosmetic Practice”
“Thermage skin tightening of neck and hands”

- 2008 Annual Winter Symposium on the Latest Advances in Facial Plastic Surgery, January 2008**
“Pearls and Pitfalls of Perioral Rejuvenation”
“Laser Skin Resurfacing – Choosing the Right Treatment for Each Patient”

**American Society for Lasers in Medicine and Surgery Annual Meeting, Two Day
Fundamentals of Lasers in Healthcare Course, March 2008**
“Laser Skin Rejuvenation”

Cleveland Regional Medical Center, CME Program, April 2008
“Body Contouring and Liposuction”

American Society for Dermatologic Surgery Annual Meeting, October 2008
“How to Build and Manage a Cosmetic Practice”
Resident’s Symposium: “How to Start a Cosmetic Practice”

- 2007 Annual Winter Symposium on the Latest Advances in Facial Plastic Surgery, January 2007**
“Pearls and Pitfalls of Perioral Rejuvenation”
“Nonsurgical Skin Tightening – Myth or Reality”

Women’s Health 2007: 14th Annual Congress, Keynote Guest Speaker, 2007
“Injectable Beauty and Laser Rejuvenation: New Frontiers in Cosmetic Dermatology”

- 2006 Australasian College of Cosmetic Surgery (ACCS)/ Cosmetic Physicians Society of
Australasia (CPSA): Cosmetex 2011:**
“Scientific basis of Fraxel laser”
“Patient Selection for Fraxel (Polartechnics)”

North Carolina Dermatology Association Summer Meeting, July 2006
“Laser and Filler Update”

- 2005 Annual Winter Symposium on the Latest Advances in Facial Plastic Surgery, February
2005:**
“Non-surgical neck rejuvenation”
“Fractional Resurfacing – a novel skin rejuvenation method”

**American Academy of Facial and Reconstructive Plastic Surgery Annual Meeting,
September 2005:**
“Fractional resurfacing for skin rejuvenation”
“Poly-L-lactic acid – the new filler on the block”

- 2004 American Academy of Facial and Reconstructive Plastic Surgery Annual Meeting,
September 2004:**
“Thermage Radiofrequency Tissue Tightening of the Face”

**Conducted hands-on and lecture workshop on Restylane and Botox at the Southeastern
Consortium for Dermatology, October 2004**

**Annual Winter Symposium on the Latest Advances in Facial Plastic Surgery, February
2004:**
“IPL Photorejuvenation”
“Thermage Lifting of the Brow”
“Thermage Lifting of the Midface”

- 2003 American Society for Dermatologic Surgery- American College of Mohs Micrographic
Surgery and Cutaneous Oncology Combined Annual Meeting, October, 2003**

Abstract Presentation:

- “Safety and Efficacy of a 3ms, 1064-nm Laser for Hair Removal in Suntanned Skin”
- “Long Pulse Alexandrite for Treatment of Lentigenes of the Face and Hands”

2002 International Symposium of Facial Plastic Surgery, May 2002

Latest Innovations in Laser Facial Plastic Surgery Workshop:

- “Treatment of Acne Scars”
- “Cervical Rejuvenation with Intense Light and 1320nm Cooled YAG Laser”

Expert panel: “Laser Skin Rejuvenation-Ablative vs. Non-Ablative”

Laser Workshop “New Indications for Laser in Dermatology and Plastic Surgery”

The Chinese University of Hong Kong, Prince of Wales Hospital, July 2002:

- “Laser hair removal – practical and theoretical considerations for Asian skin”
- “Treatment of vascular lesions with the pulsed dye laser”
- “New indications for pulsed dye laser”
- “Current applications of non-ablative laser techniques”
- “Treatment of pigmented lesions in Asian skin”

Blue Ridge Dermatology Meeting, Guest Speaker: “Recent Advances in Cutaneous Laser Techniques”, November 2002.

2001 17th Annual Scientific Meeting of American Academy of Cosmetic Surgery, January 2001:

Advances in Cosmetic Laser Surgery Workshop:

- “Evaluation of Treatment of Photodamage with the Dynamically Cooled Flashlamp Dye Laser”
- “Comparison of Longer Pulse Duration Erbium and CO₂ Resurfacing Lasers”
- “Treatment of Neck Rhytides with a 1320 Nd:YAG Non-Ablative Laser”

Scientific Program:

- “Neck Rejuvenation with Intensive Light and 1320 nm Cooled YAG Laser”

21st Annual Meeting of the American Society for Laser Medicine and Surgery, April 2001:

Abstract Presentations:

- “Treatment of Facial Telangiectasia with a 595 nm Long Pulsed Dye Laser Compared to a 585 nm, 450 usec Pulsed Dye Laser”
- “Treatment of Acne Scars with a 1320 Nd:YAG Non-Ablative Laser”
- “Side-by-Side Comparison of Facial Resurfacing With Two Different Long Pulse Erbium Lasers”
- “CO₂ Laser Resurfacing of Arms and Legs for the Treatment of Multiple Actinic Keratoses and Disseminated Porokeratoses”
- “Treatment for Acne Scars With a 1320 Nd:YAG Non-Ablative Laser”
- “Quantitative Assessment of Rejuvenated Skin Using Biomechanical Characterization and Three Dimensional Microtopography”

Posters:

- “Treatment of Upper Lip Rhytides With a 1320 Nd:YAG Non-Ablative Laser”
- “Treatment of Neck Rhytides With a 1320 Nd:YAG Non-Ablative Laser”

American Society for Dermatologic Surgery- American College of Mohs Micrographic Surgery and Cutaneous Oncology Combined Annual Meeting, October 2001

Abstract Presentations:

- “Treatment of Upper Lip Rhytides With a 1320 Nd:YAG Non-Ablative Laser”
- “Treatment for Acne Scars with a 1320 Nd:YAG Non-Ablative Laser”
- “Treatment of Neck Rhytides with a 1320 Nd:YAG Non-Ablative Laser”
- “CO₂ Laser Resurfacing of Arms & Legs for the Treatment of Multiple Actinic Keratoses and Disseminated Porokeratoses”
- “Facial and Neck Rejuvenation using Combinations of Lasers in the Same Treatment Session”
- “Collagen Tightening with the Sciton vs. the CO₂Laser”

International Academy of Second World Congress on Cosmetic Surgery, Sydney, Australia, October 2001:

Keynote Presentation: "Non-ablative laser techniques"

2000 American Society for Dermatologic Surgery- American College of Mohs Micrographic Surgery and Cutaneous Oncology Combined Annual Meeting, November 2000:

Abstract Presentations:

- "Collagen Tightening Induced by Carbon Dioxide Laser vs. Erbium:YAG Laser"
- "Response of Keloidal and Hypertrophic Sternotomy Scars to Intralesional Triaminolone, Intralesional 5-Fluorouracil and 485 nm Flashlamp-Pumped Pulsed Dye Laser"
- "The Effect of Energy Density and Number of Treatments on the Response of Keloidal and Hypertrophic Sternotomy Scars to the 585 nm Flashlamp-pumped pulsed dye laser"
- "Treatment of Facial Telangiectasia with a 595 nm Long Pulsed Dye Laser Compared to a 585 nm, 450 μ sec Pulsed Dye Laser"
- "Treatment of Striae Distensae with a 1320 nm Dynamically Cooled Laser"

Keynote Speaker at 8th International Congress on Anti-Aging and Biomedical Technologies: "Skin and Laser Surgery Seminar" December 2000

1999 American Society for Dermatology Surgery Annual Meeting, May 1999

Abstract Presentations:

"CO2 Laser Resurfacing of the Face in Patients with Fitzpatrick Skin Type IV"

Poster:

"Verruca Plana Following CO2 Laser Resurfacing of the Face" Poster presentation at the May 1999

1998

"Squamous Cell Carcinoma in Black Patients" Poster presentation at the May 1998 American Society for Dermatologic Surgery Annual Meeting

"Mycobacterium chelonae infection presenting as multiple ascending nodules on the lower extremity"

Gross and Microscopic oral presentation at the 1998 AAD Meeting

"Ultrasound transmission gel to facilitate use of skin cooling device in laser procedures" Accepted for presentation at the clinical and therapeutic pearls session , 1998 SMA meeting.

1997

"Two Unusual Reactions Following Ultrapulse CO2 Laser Resurfacing of the Face" Poster presentation, May 1997 American Society for Dermatology Surgery Annual Meeting.

1995

Welsh E, Wu D, Faircloth E, Bauer E, and Woodley D. autoimmune epidermolysis bullosa aquista is not associated with Type VII collagen alleles. 1995 Society for Investigative Dermatology Meeting.

NON-ACADEMIC INTERNATIONAL PROCEDURE WORKSHOPS/COURSES

- | | |
|--------------------------------|--|
| Aug. 2000 | V-Beam Workshop, Candela Corporation On-Site Training Session |
| Monterey, Mexico | |
| Feb 2001 | |
| Shanghai and Beijing, CHINA | |
| | V-Beam Workshop, Candela Corporation "Laser Treatment of Vascular Lesions" On-Site Training Workshop |
| Sept 2001 | |
| Beijing, Harbin & Wuhon, CHINA | |
| | V-Beam Workshop, Candela Corporation "Laser Treatment of Vascular Lesions" On-Site Training Workshop |
| July 2003 | |
| Hong Kong | |
| | Lecture and conference with live patient demonstrations at Hong University. |
| | Lecture and Panel discussion with local physicians |

July 2004

Mumbai, New Delhi, India
Bangkok, Thailand

Physician training in Mumbai and New Delhi, India
Workshop in Bangkok, Thailand “Non-invasive laser techniques for
facial rejuvenation”

INTERESTS

Exercise, fashion, dogs, golf, skiing and horseback riding.
